News from the All Saints Society –

The 'bar' AGM took place last Sunday with 18 members present.

Profits for 2016 were £1523 which amounted to 62% of sales. This excellent result means that we can maintain the current level of prices, which is great news for everyone. We agreed to continue to fund the pre-crib service drinks, purchase new wine glasses for use at events and also to make our traditional annual donation to All Saints for use of facilities.

It was noted that more help is needed on the rota to run weekly and festival bars.

Anyone interested in being considered should speak to Roger Hopkins.

The bar continues to make an important contribution to the social life of All Saints. New members are always very welcome.

OUR CHURCH

OUR CHALLENGE

OUR CHOICE

We are celebrating the GREAT 40 DAYS of EASTER.

A time when we are filled with new life, growth and hope.

During those 40 days at All Saints we are giving thanks for that new life and hope by considering how we respond to a generous and loving God through our commitment to regular giving to Him and His Church here in Clifton and beyond.

Have you received your stewardship pack? This contains useful information which will assist you in your response. There are some packs in the atrium still awaiting collection. Check if there is one for you or speak to the churchwardens.

It is our challenge to sustain our clergy, buildings, ministry and mission. To grow our faith, connect and support each other, share our faith with the Community.

Please consider thoughtfully and prayerfully how you can help meet this challenge.

When you have made the choice please complete the response forms and place in the offertory basket or return to the Parish Office.

## Jason and the Argonauts

### Bristol Old Vic Theatre School

A performance of Jason and the Argonauts will take place at All Saints on **Saturday 20<sup>th</sup> May at 4.00pm.**

**Tickets: £10 One Adult and one Child**  
Additional Children: £3.00

From All Saints to the Edinburgh Fringe  
(the ticket price is to support the Edinburgh performance)

A refugee who was forced out from his own country, Jason goes on a heroic journey, all over the universe, to find the mystical Golden Fleece so that he can prove himself and find his way home.

With Jason remains his supreme company:

- Heracles, who is the strongest man in the universe, destined to perpetual travelling
- Orpheus, who is the musical sensation, going mad with grief
- Zetes, is half-man and half-god, possessed with the power of flying
- Atalanta, is a warrior princess, raised by wild bears

In this journey he will have an encounter with horrible, terrible dangers: the Harpies; the big, boxing Amycus; an army made of skeletons; and then he will face the last danger ..... himself!

This is a courageous style of storytelling with live scores, it brings these Ancient Greek heroes alive. You will be gripped with excitement as the journey unfolds!

*'The Argonauts.....we have nothing to lose but our fear'*

The next Parish Lunch  
is on Sunday 21<sup>st</sup> May.

Tickets will be on sale from Sunday  
£6 or £12  
for a Family ticket

## Babies' Voice Project.

All Saints has been chosen to be part of an innovative research project which is aiming to find out more about babies respond to places in the city.

Mannie Burn director of Velo and the leader of the project says: We think that babies are important citizens of our city yet their voice tends to get overlooked. We are fascinated in what babies might have to tell us about the built environment and what messages they might have for adults and policy makers in the city. All Saints Church is a wonderful place. It is the sense of stillness, peace and the colour that has attracted us, and we wonder what the babies will make of it."
