The Venerable Michael Johnson, Archdeacon of Bristol

This week we have had the good fortune of having Archdeacon Michael with us and leading our thoughts and reflections through the pilgrimage of Holy Week to the high point of the Christian Year and the celebration of the Paschal Mystery.

Thank your Fr Michael for your guiding thoughts and words – it was a privilege and a pleasure to have you with us for the week.

Parish Awayday – Saturday 11th May (10.00am to 3.00 pm)

This year the PCC Awayday is **open to all** who would like to attend. The day starts with Mass at 10.00 and finishes with a PCC Meeting (open to any who would like to stay) at 2.00 pm. Lunch is provided. It is a great opportunity to be involved in shaping what is that we do and what we are.

Jean Bradford was 70 on Good Friday but didn't celebrate then.

Instead, after the 11am mass on Easter Sunday, she would like to invite everyone for a glass of fizz.

Will you join a rota for Altar linen washing? Everyone is welcome.

Jean Bradford is willing to hold a 'master class' to share her knowledge and skills with new recruits .

A list is available in the porch to sign up to for any dates you are able to help.

EASTER MONDAY 22nd April PARISH WALK to The Arlingham Peninsula, Gloucestershire.

Meeting at The Red Lion, GL2 7JN, at 11am

Everyone welcome!

All Age Worship

Lent 2019 The 9.30 Family 'all age' Service have prepared for Easter by following the Path to the Easter Garden - from The Nativity to Easter, through Lent readings, and events and themes from Jesus' life and ministry. The Path display is on the far side of the Atrium and leads to the......

Easter Garden

Thank you to all who helped make the Easter Garden both with donations of floral items and with help in arranging them.

Cornetts, Crumhorns & Cake

All Saints is hosting Bristol's first Early Music Festival over three days May 3rd-5th. We have been invited to provide tea/coffee and cakes on Saturday May 4th with proceeds going to the Church.

There will be performances, exhibitions and talks going on all day so refreshments will be served from the morning to late afternoon, like Open Doors Day.

We hope that our All Saints star bakers will be able to help by providing a cake, and that a team of people will be able to give an hour of their time to serving the refreshments. (And take the opportunity to see what's going on!)

Please sign the list in the porch if you are able to help.

| Thursday of Easter Week Mass 7.00pm Malaria is a mosquito-borne infectious disease that affects humans and other animals. Malaria causes symptoms that typically include fever, tiredness, vomiting, and headaches. In severe cases it can cause yellow skin, seizures, coma, or death. Symptoms usually begin ten to fifteen days after being bitten by an infected mosquito. In 2016, there were 216 million cases of malaria worldwide resulting in an estimated 445,000 to 731,000 deaths. 26 Friday of Easter Week Mass 10.30am Give thanks for the work of Earth Scientists (Charles Richter) in enabling us to understand our planet and its rhythms. Especially we pray for all those living in or caught up in what we term as 'natural disasters' (and their after effects). 27 Saturday of Easter Week Mass 10.30am Books have Power.
