

Inclusive Church

What is Inclusive Church?

Inclusive Church is an educational charity which encourages churches to explore ways in which they may become more inclusive. Currently, over 400 churches have registered with Inclusive Church. It has become a network of churches, groups and individuals uniting together around a shared vision.

The Shared Vision

"We believe in inclusive Church - a church which celebrates and affirms every person and does not discriminate. We will continue to challenge the church where it continues to discriminate against people on grounds of disability, economic power, ethnicity, gender, gender identity, learning disability, mental health, neurodiversity, or sexuality. We believe in a Church which welcomes and serves all people in the name of Jesus Christ; which is scripturally faithful; which seeks to proclaim the Gospel afresh for each generation; and which, in the power of the Holy Spirit, allows all people to grasp how wide and long and high and deep is the love of Jesus Christ."

We Agree

At All Saints, we agree with and have adopted this shared vision, and our intention is to promote it. All Saints is already an open and inclusive church, and we are proud of that. Becoming part of the network is important, because it is concerned with national recognition. Many people use the Inclusive Church network to find churches where they will be welcomed; and All Saints is a great choice in Bristol.
