## All Saints

Clifton Church of England

# Greetings All

**Welcome to the Spring/Summer All Saints programme of services and events;** a very welcome time of year, as we transition from winter into warmer and lighter months; a transition we hope will be reflected in the national and international news which over the last few months have felt very 'wintery' in so many ways.

It is a very special time of year for us at All Saints, including as it does the great Festival of Easter, one of the most important festivals in the Christian calendar. Easter Sunday is the culmination of Holy Week with services every day, including the great Easter Triduum which starts on the Thursday before Easter Sunday, culminating in The Great Easter Vigil and First Mass of Easter.

In addition, we now look forward to the next few months, featuring a rich programme of music, exhibitions, meetings and workshops – all very much part of our active, living and inclusive church, and our commitment to initiating and supporting activities and projects that seek to transform our community, both here in Clifton and across Bristol.

**Highlights include** events over the Coronation Bank Holiday Weekend, the All Saints: A Secret Garden weekend, as well as An English Country Garden event in June. All that plus a wonderful variety of concerts to suit all tastes! All in all, a great programme of events to which everyone is very welcome.

Do remember to look at the All Saints website for more information, additions and updates.

With every blessing

**Fr Charles Sutton**

Vicar of All Saints, Clifton
